

CLEANING AND CARE

- 1 Remove any obvious dirt from the external surfaces with soap or detergent solution and thoroughly rinse in clean water.
- 2 To disinfect/sanitize the unit, spray a mild or diluted disinfectant/sanitizer into the regulator opening. Make sure to also wet the immediate area around the opening. Swirl to completely cover internal components.
- 3 Turn the unit both directions and shake excess liquid out.
- 4 Rinse with clean water.
- 5 Shake excess water out of the unit, completely air dry before use or storage.

WARRANTY

One full year from date of purchase.

BLASTMASK™

USAGE & CARE INSTRUCTIONS

WARNING

BLASTMASK™ PROVIDES NO RESPIRATORY PROTECTION AND SUPPLIES NO OXYGEN. Do **NOT** wear BlastMask in any type of Immediately Dangerous to Life or Health (IDLH) environment.

DO NOT USE BLASTMASK IN ANY SMOKE OR HAZARDOUS ENVIRONMENT. Do **NOT** wear BlastMask in any type of smoke, actual or simulated. Do **NOT** use or place BlastMask near any open flame or fire.

DO NOT USE BLASTMASK IN ENVIRONMENTS LACKING SUFFICIENT BREATHABLE OXYGEN. Using BlastMask in oxygen-deficient environments may further restrict your ability to breathe, and may cause you to suffocate and/or suffer severe bodily injury and/or death.

USAGE

While wearing BlastMask, you may experience some restricted breathing.

Please consult with your physician if you have any questions about your ability to use BlastMask.

Do **NOT** train in extreme heat, or extreme cold weather.

Do **NOT** use BlastMask without prior consent of your doctor or physician. If you have any known medical condition including asthma, COPD, high blood pressure, heart disease, pacemaker or hyperthyroidism, or if you are taking any kind of prescription medication, please consult your doctor prior to using BlastMask.

You must be 18 years of age to use this product.
